OC Optima Košice is the largest and most vibrant shopping and entertainment centre in Eastern Slovakia — a modern environment where shopping, gastronomy, and leisure blend into one dynamic experience. The strategic screen location directly in the food court area and in immediate proximity to CINEMAX ensures long visitor dwell time and continuous foot traffic throughout the day. The circular LED screen, visible from all angles, maximizes reach and enables effective communication with audiences both on the ground floor and from the upper level.

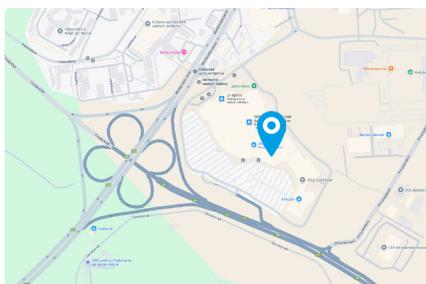

The synergy of an attractive location, strong footfall, and central placement makes this site one of the most powerful advertising locations in Košice.

The first circular LED screen in Slovakia.
